Good Afternoon

He was hit with a branch on GSJ, complained of a sore h=ad, but continued working. Arrived at work the following day, had a major =eadache, worked the day

Went to Red Hook Fami=y with a migraine headache, prescribed some very heavy drugs, including Va=ium. Over the course of the next week, he became worse, could not even dri=e let alone walk.

I went with him and his wif= to Red Hook Family, getting a referral to see a specialist, whom believed=he was over medicated, Since detoxing all drugs, then receiving the correc=ed medication there has been a huge improvement, with the hope that he wil= be back at work either the end of this week or beginning next

=C2◆ The point is he has used all of his sick & vacation days, =ould it be possible to pay him at least a week, he would pay LSJ back in t=me

Thank you for your consideration on this matter <=div>

Warmest regards

Karen
