Radical but preferred idea. . START fro= scratch. there is absolutely nothing worth keeping except for [REDACTED], nothing at all. Like your tax returns that were done=in triplicate. TOM RICH ALAN. . tom and rich were not =eally useful in the end. Start a brand new office. hi=e cfo. bring joe over. [REDACTED] and samantha, ru= parallel for 6 months and close down elysium forever. =eave your kids a functioning operation professionally constructed and mana=ed/

LAst nov i laid out priorities IT , being the=first. in July I said focus on airplane as a test . to= examine procedure and proficiency, so far mostly = waste of resources time people etc. Only last week tol= debra owns 49 percent of plane. no IT to speak of. =AObens house unaccounted for. tax returns very very slo=py, . boat still argued as third home.. pilots bo=uses? , structure unkown by all. cash sitlling at the same time loa=s outstanding.

Phaidon , looks like close to breakeven in=a few years. others totally unknown. Query , do =ou really want this ? : I m not sure how you both want to hav= an investment office and have cash flow being eaten by publishing and loa= increased by art. interest rates will be going up.. y=ur plane will cost 10 million to refinance so will boat if sold next=year-. art space and regan more cash. taxes , art purchases .= Part of radical solution is to sell publishing.altogether. =re the children really interested.. restrucuture plane from =cratch. layers unnecessary.
