Spoke to Ed Hinkley, who owns the 41 Nautica, he bought the boat at Tax Auction some time ago as project to refurb and sell.

- Engines have factory warranty still, are rigged, needs power steering to be bled,,
- Boat has generator which needs to be installed,
- Ed informs he ran out of time and money to get the boat running and seaworthy,
- bow thruster has been removed to get rebuilt, it's ready to install -boat needs some TLC and polishing to spruce up the cosmetics,

Boat is in West Palm Beach, off Belvedere behind Hertz rental car by PBI airport,  
Ed is delivering a boat to FLL to ship to Bahamas, and will show me the boat around 3 or 4pm today, would you like to Meet me there? Could be a great find,.

Ed also has a Cherokee 6 single engine plane based at Atlantic Palm beach, he's a pilot.

Thx  
Larry
