Hi Jeffrey,

I think Noam =s getting in one of those periods of overdoing, what usually results in ve=y bad colds, that he hasn't had for the last three years, not coincide=tally since I came and have been forcing him to slow down "just a lit=le". But the last weeks have been too intense.

On Friday, he will be coming from a solid day of appointments and I am a=raid it can be too exhausting for him. It would be better to have a more r=laxing time with you and Martin and leave this discussion for another occa=ion.

I know I can share my concerns with you.
