I was screaming in the street because I was sleeping since 2 months on Giacomo's coach because you left me on my own with no place where to go. I was about to be homeless and you didn't care. I had zero money to live and was working everyday as a babysitter. You wouldn't listen to me and not even speak to me when I was in the worst situation ever and in addition of all this you lied saying you weren't in Paris when I knew you were there. Screaming in the street was a consequence of your actions. It was the only way since you were not answering my messages. It's not normal but I had no other options.

I also scream with my brother when we fight, doesn't mean we don't love each other anymore.
