Good night Bossman,

Boyson left Dry dock on 10/8. I called their mechanic on Friday, October 9 and he told me that they're now working on their ramp and that hopefully they'll be back in business on Tuesday 10/13.

We hope to finish the last 20 loads of crusher run starting October 19th to the 23rd and then we can begin the Asphalt runs on Saturday the 24th.

I'll call Jeffers at "Better Roads" and Jr. from "Mr. B" to confirm that this schedule is still accurate.
