**Subject:** Boost pump change GIV

Jeffrey

I'm having R/H main boost pump changed on GIV at Gulfstream, it's been an intermittent issue, part is in stock PBI,,also changing EMF filter "eletro Mag=etic Filter" that powers the boost pump, this is being couriered to PBI fro= Savannah. Typically you change both.  
Should be completed and released tomorrow afternoon.

Is this approved?

Thx  
Larry
