Subject: Re:

Hi my dear Jeffrey:) How are you?
Long time didn't=see you :(

Everything is good with me, thank you =or asking. (funny I was just thinking about you yesterday) I gue=s this is how the law of attraction work :) lol Last two months =ave been really slowly model-wide, so it made think to go to Japan and ear= some money.
So I'll probably do that. Not sure when though.=Maybe in January.

Meanwhile I'm working on my=elf a lot.. I workout, I work on my pronunciation, I read a lot, learn abo=t a spiritual human psychology and the quantum physics.
I honest=y in such a better place right now than I ever been (mentally). I'm fi=ally learning how to love my true self and also care about my true self ra=her than what I think I need (ideally).

I m=ss you and Sveta so much. Hope I'll see you one day soon.
Se=ding you my love,
Polina
