Reefco was a very cheap alter=ative and I was concerned that the scope of work that they were providing w=s not comparative and that they also were not experts in this area My thought was to have TSG do one more visit in attempt to narrow their sc=pe of work and also buy time to obtain computer codes Concern I h=ve is that once we leave TSG and do not have computer access then we will l=se all leverage in ever making that happen Danny had told Leighto= and I he was working on obtaining codes and access so I assume this never =appened I will follow up with him
