i have reviewed arizona state law. =not easy. . my best guess is that you will b= given the opportunity to resign rather than be fired. =C2 the issue will be pay over what time and how much. . =A0 if you take someone it should be a femail lawyer or maybe nancy=C2 . so she is in on this. against my ver= strong advice you called the question re outside vs university, =A0 and there is now little wiggle room. I am being=very gentle as i know there are other things in your life that is tr=ubling . If you put up a big fight or make a plea=C2 the final result will be the same. it will be a ne=otiation , threats will only cost you money
