Jeffrey

According to Arinc, the G550 flight planners, i use for Data link, Paris to NY 7+37min Paris to PBI 9+40min

I've requests full flight plans, I'll have later this evenin=.

Paris to Teterboro is 7+33min \*(-40kt headwind average) Wind out of the west (267degrees 40kts) "267/40 seen on flight plan b=low"

Paris to PBI is 9+44min

Teterboro to PBI is 2+22min with (-41kt headwind)

Great circle routing, brings us close to NY / Maine coast line, before turni=g South to FLA

Thx

Larry
