attached photos of Log cabin for your review<=div>

Rocks will be added to south side of parking area tomorrow morning
Herman and Leon will continue with finish grading, irrigation rough in, next week
Wood for Steps from Parking area to Log Cabin has been ordered</div>
Steps will match Existing Log Cabin Steps

Any concerns let me know

Load Tally to Date for Log Cabin

Rocks 12 loads
to me, Richard

how long to make level with the plan I produced originally for grading. I assume much of the work can be done whether you are there or not. I will come out late October to mark out beds so I hope grading finished by then</ont>

Jeffrey

Anticipate=completion of Log Cabin last week of September, and then planned to re mobilize to MH Project

E mail and Photos of progress at Log Cabin to follow

We will try to meet that deadline,

Reminder it= a 9 plus foot retaining wall, backfill for 80 percent of area involved, cooperation,

An issue that needs to be addressed,

Drainage, under the present plan/grade, in the event of a down=pour proposed path material and small landscape walls will get washed away<=div>

Staging material, rocks and di=t at the log cabin have scheduled for today and tomorrow
We have been stock piling dirt for back fill a=d grade MH, unfortunately the track hoe
broke down
It has been returned, company was unable=to locate part.
Another unit has been found from another company, we are waiting for c=nfirmation on
delivery date, Monday or Tuesday next week.

In the mean time the access road behind the M= to proposed new site needed work and
a slight change of layout so dump tru=k was not continually driving over Spetic Tanks located to the South East o=
Mechanical Building.

The storm water piping from the MH that goes under this road a=so need work, this
work has been completed.

I will send Photos Friday of progress
