Pete informs he can have GIV completed Friday,, he would like till Monday if=you don't need the plane,, The Fwd monitor was sent for repair,, estimated return date April 4th -according to Pete, the monitor manufacturer is out of business, Eric purchased this unit in 2013.

We have located same units, "as Removed" for \$2000 as a back=p plan, the Company is waiting on monitor removal paperwork before it can b= released., We can operate without monitor installed, keeping the monitor close out Pan=l shut.,

Is Monday ok for GIV completion?

Thx
