Hello Jeffrey ,  
Was hoping to see you anytime soon and talk.  
We are going away end of the April .  
Meanwhile I figure out what I'm doing in terms of job .  
To be honest with you I got really depressed researching and looking for di=ferent types of jobs - understanding that I don't have plenty of s=ills employers are requiring and it's just only my fault . I never=fully understand how important to work and don't waste the time , =ut I Did it . So moving forward I realize what I'm good at - I wan= to be a personal trainer- I'm working out every day - I have trem=ndous results and I'm passionate about it - I understand anatomy a=d technic - so the trainers at the gym started telling me I can be a great=trainer . Now I'm choosing between 2 schools NASM or ACE where I=E2 ll study and pass the exam , planning to study now and all the su=mer so in the fall I can get a job .  
Step by step - Marc said it's a good idea too .

How are you?
