Reminder: Lawrence Krauss is asking Bebe if she could possibly find him = boat and captain for a day of exploring islands...should she offer one =f your boats and captains?

>> at the risk of abusing your kindness, I don't know if it is =ossible for you to scout something else out for us. We were thinking =f booking a small boat and captain for a day of exploring the islands. =I don't know if you can find out some possibilities. Probably I can =ind that out when we get to the hotel as well, but no harm being =repared if it is possible to do it in advance. If that is not =omething that can easily be done at your end, no worries.. you have =een very helpful as it is.
