Just spoke with Gene from Subbase regarding outstanding invoice=:

balance due per original 260,000 invoice 58,843

balance due o= unpaid 8,000 engine work =C2 8,000

Island Rigging Invoice - materials & oil disposa= 2,670

Islan= Rigging Invoice - labor =C2 4,123

Subbase - additional labor & fuel disposal invoice=span style="white-space:pre-wrap"> 3,518

Total 77,154

<=i>

I told Gene that we wanted to do a 10% holdback as we ha=e done in all of our previous construction contracts. He said th=t this is the first time he is hearing of this and cannot do this in the l=st hour. If we mentioned before work began he would have considered.=/div>

Regarding invoices above i told him 58,843 and 8,=00 were as originally agreed to and we were ok to pay. I told hi= that when we agreed to 260,000 he specifically said that he would not nic=el and dime us on small stuff and that i believed invoices for l=land Rigging (2,670 & 4,123) and Subbase 3,518 felt like we were being=nickeled and dimed after almost 360,000 in work with him.=C2 He strongly disagreed and went on with all the extra work he did. =AO I told him that i would like to pay him 58,843 and 8,000 today and we w=uld revisit 3 other small charges totaling 10,311 on Monda=. I think at best i can get him to agree to 50% of 10,311 as he is b=ing very firm. He also said he stands by all his work that he just c=mpleted.

Gene will release boat this afternoon to=Bosco if we pay 66,843

Please advise if ok to pay=66,843

Thank you
