Brad Wechsler is asking if you could meet for a half hour with him and Rich Joslin to discuss Use Tax Refund. Below are available dates/times...below that is your schedule. OK for me to schedule in?:=C2

NO sorry not until i hear from leon<=r>

leon. to be fair, I had sent the first note to you=one year ago . stating that my work would come to an end on oc= 15. that day had meaning as everything would be closed. =C2 you asked that i continue to help brad. as of nov though=he would officially start in jan. I said ok, but =C2 " you told me to continue as we would work something out"=C2 I told you my fee then was 40 . feb you came with ben while k=thy ruemmler was here. and said next week, debra got bad news.=C2 and I quickly prioritized not adding stress to your=situation. I wont regurgitate the interim, though millio=s of dollars were saved since. millions. . it is now one year later =nd you propose 10 mlllion , plus a contingent fee . =A0 I have said that i would work with you , and if contingent and a percen=age of something. I strongly believe that is not in your inter=st. I continue to put our friendship first and dont want you t= write a check for over 100million andthe i will have to listen to l=wie for the next few years. but if you prefer over my objection a percenta=e deal then it should be of all savings not just phaidon. =A0 (a random concept) . The idea that i am somehow even margi=ally responsible for neither you nor heather , ever telling me=that there was an unresolved issue, though you said you had been pinged a =umber of times is emblematic .

I can do a call with you and =arp. anytime you like today, but i can assure you 100 percent=that there is no light between our positions. ZERO. and he is =eady to do his best to try to explain it to you.
