can you have lorin or someone actually determine the likih=od of bringing a real case against her in either london or new york.= so far i have not seen anything concrete. leon thinks a case =s viable in london, too much riding on that fact for it to be non feasible though technically possible

Sorry for the delay. We stopped the surveil=ance on Friday. She was in London then, and we're not aware that she&#9;s left. We can follow up on the prostitution front, but we haven't found any evidence yet.
