Subject: a mix .

After meeting with y=u seven times over the past three months "I was very disappointed to receive your one word rejection to =A0 my offer . Im sure you realize that I have been trying to c=me up with a solution that meets both of our needs. yours, for security, and mine , not to be dragged through the =ud by the press as you have now often suggested you would do.

Ive made quite a few proposals , and i truly thought we were actually=getting close before you told me you wanted to "pull the plug"=C2 I recognize that you feel hurt , but i assure you Im attempting =A0 to be generous to you but I certainly heard you loud and clear =A0 when you said " I didnt understand " . I repeat t is my goal,=as it has been from the start, to try to work this out if we can.

I do not want to have to go to war with you and I hope you woul= prefer not to go to war with me. I do not want to take any actions at all that would hurt you (restrict your a=lity to get visas where you choose to live , to get any future =employment when people discover what you have done etc)and have a long la=ting effect on your future . We both want you to be free of anxiety. =But I am concerned that these same kind feelings are not shared on y=ur end. At each meeting , you have threatened to attack me, my family and my business unless I pay you a sin=le lump sum of \$100 million. How can I reconcile those threats with your repeated statements that=20 you care for me now or in fact ever really ever cared for me and that=i should now simply trust you . Question? Do you have a =andidate plan that gives you the comfort and security you need=while at the same time gives me the same. OR do you think that we=both might be better served if discussions were conducted through representatives.<=r> I am coming again to Europe in Novemeber . I am willing to try=to sit together again. if you think productive.
