I spoke with Ms. Richardson. She said that she just got the completed file to include the translation. She will check the file to make sure that it is complete and then send it on to the board for its next board meeting. The next board meeting is October 30th. Ms. Richardson will contact Karyna directly prior to the board regardless of whether she deems the file complete or not. I asked her if the file had already gone to the board as was my understanding and she said that she was not sure.

With warm regards,

Cecile
