I know I've made many mistakes during this year and I=apologize for it. Coming to Paris was for me a huge joy but also a new sta=t. You can't imagine how much I appreciate it and in particular way I =ould like to let you know how grateful I am to you for letting me attend t=is School. Since my arrival in September I've been studying and exerci=ing everyday because my primary goal right now is to be serious about my L=fe and to get in shape so that I can finally start working with Next = Svet can confirm you that I've been serious on those points ). I fina=ly found a school that I really like and would love to continue and try my=best to succeed. In this part of my Life I am making a major transition be=ween the irresponsible girl that I was to being a serious and disciplined =erson, so that one day I would hopefully become successful. Unfortunately,=it happens that I am experiencing right now the hardest time of my Life si=ce the person who was financially supporting me just died. Being in Paris =s amazing but living and studying in a place were I cannot afford Life is =mpossible. I am lacking a place to stay and I am aware I've made a mis=ake in not taking a place on time but if I don't find a solution by Fr=day I will be forced to take a flight back to Rome this weekend. Please le= me prove you that I am able to make it by giving me a second chance and h=lp me find a solution.

Forgive me my mistakes.. I know you've run ou= of patience. I promise I won't repeat those mistakes again and hopefu=ly will start my "new Life".<=div>
