i called regarding another Bell 429 that showed FL on controller however it was located in Brazil

upon further discussion Romano the broker told me he had an off market 429 for sale (see below) it is located in South Florida (however the would not disclose location) should larry and i coordinate or you to see next week while in FL?  
larry what says will you be taking our bell back to STT?  
please advise  
thank you
