I just sent emails regarding =SG and VINGN

Reefco – not sure what open top=c is as my understanding is last two items they worked on have been complet=d (STC AC and Gym AC) - please advise if there is something else that needs=to be followed up with

TSG / RO Plant – not =ure what open topic is as well – Bob Peterson in email just sent to y=u was asking to do a site visit with Anna and Danny on Sep 3 and then a cal= with me after there findings – I assume meeting never happening / we=also need computer access if we chose to part with TSG
