Last night – Sam insisted that I sent this email and copy him.

These should be changes included (in the email text below) on the last proposal.

Hi Jason,

I had an additional conversation with Sam who holds very valuable emails about me and my business.

Please can you add more specificity that 50% of all my assets include 50% of everything I own (real estate, assets, cash, distribution from the funds etc).

Also please can you increase to 10% for duration of Sam's life – even if we separate.

This 10% should be calculated on an annual basis.

I am now including Sam on this email. He can specify what else he wants

Thank you

Boris

Hi Jason,

I had an extensive discussion with Sam.

He agrees with all the points except (b).</=:p>

"(b) Spousal financial support will be available in a fair and equitable amount for a reasonable duration as a flexible tool to effectuate an equal estate division and to allow both parties to maintain the marital lifestyle for a reasonable period."

He demands that the language gets changed as that he gets 5% of all of my income/distributions for his life. The only exception would be in the case I stop working.

He demands that if does not addressed he would go to the press immediately (something I am trying to avoid at any cost).</=:p>

Please can you make such change and send me a revised letter?

Thank you

Boris
