I have lied to many people you are right and I'm sorry for this. However everytime it was for a good purpose. I didn't harm anyone except for myself. For example I could have said the truth about you to the people who paid my school, batman and my family but I didn't. I thought it wasn't a very good idea= So I've lied. For margot, yes I've lied to her. But she never even kissed with him (at least this is what she told me) and beside all this Tancredi has a girlfriend. He made me promise not to say anything to margot so that she wouldn't get jealous or upset. I'm not justifying myself=by saying lying is a good thing or acceptable but sometimes it is necessary if I want to keep my life private to some people. As you told me once: " Your habit and mine are very used to lie to everyone" and "You and I lie to people, I just wanted you to know that I understand". I'm glad I'm not the only one and we make the same mistakes. <=pan>
