Good afternoon Bossman,

Omar said he can do the Park trail sitting area and the Helipad wall extensi=n for \$30 sq ft.

I told him \$30 per sq ft. was to high for my budget right now. I asked him i= he can do it for \$20 per sq ft. because we might have more work for him in=the future. He agreed.

Park trail sitting area: \$20 x 114sq ft.: \$2,280.00 Helipad wall extension: \$20 x 128sq ft.: \$2,560.00

Total amount (Park & Wall): \$4,840.00
