after speaking to many people re alternatives. =A0 it appears none are even close to good, none. I think it co=es down to the least suckiest. hence i think you should consider uni=ateraly imposing a solution, it would have two parts. =A0 you will send her the details of what you intend to do . (=ow and in what form that takes is to be discussed. ie =C2 text ,letter. lawyers letter etc in person by your representat=ve ?) you will tell her that it appears obvious there i= no further reason to meet. you have listened to her, and heard what she h=d to say, you will agree to be a gentleman and begin sending =er money every month, , this will continue for many years until you =eceive another threat from her or anyone else related to her. - we c=n either keep the amount at 100k per month , or initially reduce it =o 60 increasing each quarter by 5k per month until it re=ches 120k per month, (3 year breakeven) she will sense an increasi=g penalty for moving against you. it leaves you in no worse position=than if she affirmatively agreed, the negative is recogn=ing that she can use this money to hire better lawyers , its better than =aving her cornered with no money. like with all prostitutes =A0 its only about the money,
