i flew yesterday LAX to JFK

i had to ca=cel what would have been a most enjoyable evening with Gordon, watching th= college basketball finals at dinner with several of his friends after mee=ing him privately at 4:30 but i just wanted to get the hell out of Califor=ia and get back to family for Easter

if i were to=see you in NYC in the morning it would have to be

Monday, Tuesday or Wednesday of this week

=div>as i have key medical appointments in Jersey on Thursday and Friday an= leave out Monday a week from tomorrow via Amtrak for D.C. and Richm=nd to see my 19-hear-old son graduate from his next stage in the U.S. army= then straight to Jamaica

so there is a good chan=e your schedule does not permit a visit—but as you have made clear=and is obvious—we do not need to meet in person to run things

i don't want to be located ANYWHERE in academia♦=80♦too much time wasted, leaving aside the absurd abuse i was just subje=ted to— so i will shortly send your man a full accounting of the \$=0,000 your Foundation kindly gave mine ~August of 2017

we can then take it from there—roughly the same amount or per=aps slightly more will keep my research and book writing on schedule while=productivity and speaking fees should take care of the rest of my life, so=i do not have to draw down more than the Federal minimum of 5% of my inher=tance and can keep it intact

in haste—hop= things are fine your end
