Greetings Mr. Epstein,

Ms. [REDACTED] is out on Medical Leave. There is no one else in the STT office of the board. I asked if Ms. Liger from the St. Croix board would be on STT, and the person in the neighboring office did not believe so. She just happened to be on STT when we called a couple of weeks ago.

I will continue to call Ms. Liger in the St. Croix office and when I get her, I will email her a copy and FedEx the original to her. </=>

Respectfully, Daphne
