The guys are done with the walls and=the ceilings in the two offices and they are ready to paint. The est=mate did not include painting. The quote to paint both offices is =750. We have an additional bill of \$1,410 =or the work done in the kitchen (lowering the ceiling level and replacing =he tiles with green board to absorb moisture). Please let me know whether =e can go ahead and have them paint and pay them for the labor and material= for the kitchen. The total for the painting and the kitchen work is=\$2,160.

Additionally, the contractor gave me a quote of \$1,750</=trong> to replace the 376 sq ft of ceiling tiles in the hallway leadi=g from the kitchen to your office. He would replace the tiles w=th the green board to also absorb the moisture and also match the tiles in=the offices and the kitchen. Let me know if you want to proceed with=this part.
