**Subject:** What should we do about this?

Curiously, we received a package today by FedEx from Deborah, with the following documents:

"1. Your new Will;  
2. Revocation of Noam's 1967 Revocable Trust; 3. Your New Revocable Trusts; 4. Assignment of Noam's Tangible Personal Property to Valeria; 5. Assignment of Valeria's Tangible Personal Property to Her Revocable Trust; 6. Assignments of our Digital Assets to Your New Revocable Trusts; 7. Your New Durable Powers of Attorney; 8. Your New Durable Health Care Powers of Attorney; and 9. Your New HIPAA Authorizations.

Thanks.
