The point is that the employees probably should have known earlier that the company was in serious trouble, bu= they trusted. Should they have done more to protect themselves? =A0 Yes. But he

intentionally deprived them of the right to make their own choices based on complete and truthful information. That was wrong. That was criminal.

This is basically a version of the summation I gave to the jury in 2006. I did not expect to be making it again in 2015.

Good luck with the mediation today.
