3. =C2 Plane: In 2014, there were 23 flights and 600 plus transactions (some invoiced, some net), that fall into 116 expense categories. 2014 was also a stub year where we had pt. 91 in the beginning of the year and pt. 135 in last 9 months. As discussed, many of our "135" flights get re-characteriz=d to pt. 91 because of fact patterns. Building accurate books and records is complex. I believe we've nailed it on the expense side; revenues mo=e complex particularly with the netting and retroactive reimbursement from Apollo. As of yesterday Joe and Samantha P. have moved factual material/database to Rich J.
