Hi Jeffrey,

Good morning! I hope you're doing well.

I thought I'd quickly follow up and confirm you received the email.

Please let me know if you'd like me to send samples your way or set up an in-person meeting :)

Thanks so much again - I look forward to being in touch.

Cheers,
Jennie

Hi Jeffrey,

Great to hear from you.

The valuation information, etc., is in the deck — here is the link! Additionally, I have attached our general term sheet for your review.

In terms of John — it's more to do with my husband, Max, than John. Because Max works so closely with his parents he tries to keep our personal life and his work pretty separate. Although I was thrilled that John shared some information about my companies with his network, I just felt that I had to get on the same page with Max before responding. I should have initially emailed Lesley something to this effect, but felt awkward about it (!).

Please let me know if these are materials are what you had in mind, and thanks so much.

Best,
Jennie
