In the process of putting in the New part for the shower Danny E. noticed a small extender for one of the handles were missing/not in the box. The Company mailed out the part on 9/11 Daphne requested the tracking # today but no response. Sylvester said CB2 shower floor will be ready tomorrow afternoon.

They were unable to pull the fiber straight through because of some=unknown blockage half way through to Blue Beach so Danny ran a new conduit=where the blockage was. They will run it straight through tomorrow morning.

It's been really windy at the Main Compound so they took them down, I asked for them to be spray over before they put them back. They will be put back first thing in the morning.
