Good day all,

I just set a new threshold =or the link on the gym. I had Anna and everybody on LSJ stream something s= I could get a good reading. I hope this holds up now until we can replace=it. I still have it on manual modulation, so I will continue to monitor th= link. Times like these is when I lose on a service contract. Please note =omorrow is the 31st and my service contract expires then. We don't hav= a new one in place. If I do have to work without it, you will be charged =75.00 per hour with a minimum charge of 2 hrs.
