i just spoke with Al from Clarity regardin= the Lutron project and he told me the following:

=onday they opened up the 1st and 2nd floor panels - They were forced to op=n both at once since they are both fed by the same circuit breaker

The 4th floor panel has not yet been touched and is fully operational al=ng with the 3rd floor

There will not be any lighting all week ot=er than temporary construction lighting (see photos below) which is allowi=g them to perform their work

Unfortunately they cannot stop job =s panels are already open and do not anticipate any functionality until Fr=day afternoon

At that point in time there will be moderate funct=onality of the 1st and 2nd floors with 3rd and 4th floors remaining fully =perational

Hello Richard and Merwin,

I trust that everything is on schedule for us to begin dismantling the system this coming Monday morning. Please advise us if there are any issues with us beginning then. Please note that lights will be out in most of the residence. We will have temporary lighting set up to allow us to work but certainly not enough to cover the entire home.</span>

ON a similar note and am hopeful that Mr. Epstein was okay with our "work in progress" appearance and that our presence wasn't a great inconvenience.

<br>Regards,  
Al

I just spoke with Mr. Epstein and he said he will be returning Wednesday evening or Thursday am he would like the 1st and 2nd floor protection to be removed as of now job will resume Monday August 24th sorry for any additional work and troubles this may cause

regarding glass Mr. Epstein thinks we may have extra in the house - Merwin please speak with Jojo as he may know location of glass if we do have extra thank you
