**Subject:** Introductions and Scheduling Skype Call

Hi Dean,

I've cc'd Jeffrey Epstein who has a keen interest in consciousness and people with "special abilities." He has supported my work in the past and was interested in speaking with you. If you have a free slot and are agreeable, perhaps you could schedule a Skype call. His Skype handle is [REDACTED]

Jeffrey, Dean has a new book coming out in a week or so: <https://www.penguinrandomhouse.com/books/551604/real-magic-by-dean-radin-phd/9781524758820/>. <<https://www.penguinrandomhouse.com/books/551604/real-magic-by-dean-radin-phd/9781524758820/>>
