It's about mak=ng a chinese TV reality show / movie in the castle with very popular actor= in China. It's the first time a tv show would be produced in a castle=and tv shows are extremely popular here in China. It would affect the larg=r population and expose them to the western/ italian dreamy Lifestyle. The=chinese are very fascinated about this kind of things: Princess, Castles, =eritage... since they never had it before and are very much attracted to i=. Ferragamo could also collaborate by advertizing their products through t=is and by using popular actors. In this way TV or cinema can merge with fa=hion and lyfestyle affecting the chinese mass population. It would be also=profitable for the castle. I spoke to my friend Jonah about it and told me=it was a great idea and would help me do it. He is the CAA manager in Chin= so he knows the business very well and Ferragamo told me if the project i= done well they would be happy to do it.

At least I had an idea... What do you think ?
