Subject: every Monday night!

hi, Jeffrey ...

my show is every Monday night at 8pm,=see below ...

a guy in his Sixties (see below)=recently told me his grandfather was a very famous cantor, and a good friend of Albert Einstein, and that Einstein loved dirty jokes!

... and Albert's favorite joke was= "My dick isn't that big, but I love every foot of it."

love to get together ...

We met - on the street.
I heard your jokes.
I laughed. And I like the way you use your smile=- with the teeth.
I shared some jokes I got 2nd hand from A Einstein= through my teacher, Henry Rosenblatt. son of the great cantor Yosselle Rosenblatt.

Really, it was a pleasure
thank you,
Erich
