Left you a message on cell. Ever=thing is great. We spent 8 hours in the bush today -- hot, dirty, lot= of flies, but beautiful. We have seen amazing animals. There a=e hippos right next to the camp, and you can hear them snorting and carryin= on all night. The white South African guy on the staff said that the=e have been 4 "hippo accidents" in the last month, meaning that hippos atta=ked and killed African fisherman in each of those incidents. Truly w=ld here. Having fun. News from the Ranch?
