Jeffrey

Last night a power surge caused the main booster pumps at well 4 to hammer b=dly and split a y connection to the main water line Resulting in no water to MH RC and Larry's Locating parts this morning, at best we should have it repaired by tonight a=d be able to pump water again tomorrow We have enough in water in reservoir and can pump water from Dakota Backup t=nk to maintain basic operations at main house Domestic water production and cooling tower operation RC and LV will have very limited supply until repair is done Regards Brice
