Hello Mr. Jeffers,  
One of our workers observed the driver from Roopsters Trucking drinking a beer down at the barge unloading area.

I have asked Leroy (BB Foreman) to have the driver stay in his truck and not drink until the barge comes back and not use this trucking company again on LSJ. Drinking while driving or working on LSJ is unacceptable and will not be tolerated as it puts everyone on the island at risk as well as the owners property. Pictures attached for your viewing

Thank you for your understanding in this delicate matter.

Best,  
Leighton
