Subject: NY - Paris flight time

Jeffrey
Current winds

Ny - Paris is running 6+19min with (+41kt average tailwind) Mach .85 Wind is predominantly out of the west, we'll land runways 27 at Le B=urget, so we have to go around Charles DeGalle airport which Adds about 10=15min to the flight plan,, i'd say, 6+30min flight time

Paris weather

Saturday and Sunday scattered clouds, high temp 55 degrees, lows 39 Monday overcast Tuesday and Wed Rain,, Thx larry
