Hi Jeffrey,

Help!!!!!! I'm in sticker shock. Please give me a strategy to turn \$10,=00 into \$20,000 over the next few months. I'll do anything (including =sacrificing my first born) but trade options because I can't do the mat=, no matter how hard I try.

I just got back from the dentist where I learned that I need 9 crowns. I wa= aware that I might need to replace the six in the front because I saw som= gum recession but I was unaware that the fillings in my molars had cracke= and there is not enough tooth left to refill them in a way that would las= and not require root canals down the road. I put aside \$10,000 prior to m= visit and thought I was prepared to take care of this, but the work is go=ng to cost an unbelievable \$21,600. Seems like the price of crowns has sho= up since the last time I needed them, 40 years ago :-)

Be happy and healthy,

Love,
