Subject: Funny story (I think so, anyway)

I called the Roberta Bright Day Care C=nter on W. 36th Street to get proof that I taught there, hoping to ap=ly that time towards my retirement. When I told them I worked there in 1973=or 74, they sounded shocked. They said there was no way they could get that=information for me because those records were stored in a warehouse i= NJ. I wonder why they have a storage facility, if they won't retrieve reco=ds from it, but anyway I hung up the phone Feeling like like a relic. Was i= really that long ago? How did the world ever function before compute=s and the Internet? Do you remember what year I lived on Ocean Parkwa= near the boardwalk and worked at that Center? Max? My next approach w=ll be asking the IRS for copies of my w-2's, should be interesting...
