I think [REDACTED] is going to make a move this time (he was miserable in St Tropez and kept texting in a new way, we fast timed, he was sending me music etc etc);

[REDACTED] is my top choice, looks like we are dating.

[REDACTED] - a great contact, very intense though, keeps texting non stop; =div>

Perhaps [REDACTED] will have to go. He lives in TriB=Ca, same as Max. Also like him a lot though.
