Hi Carla:

As you probably know, I am limited in my visits to the University at present. What you may not know is that I live in Oregon with my family and commute in to Phoenix to work at the University. Because of the current situation this travel is also limited. We could have a Skype meeting at your convenience sometime in the next week or so. Otherwise, the next time I will be in Phoenix will be April 10-12, (one of these days I will be down in Tucson to work with a collaborator on a book). Can you also let me know if you will be presenting me new information at the meeting and I can respond to it at a future meeting or not? If that is the case, perhaps you could provide me the information in advance.

Lawrence

Please let me know days and times you are available and I will be glad to coordinate further.

All the best,
