Hi Sneaky,=C2◆

Called the lawyer this morning. She is not available at=the moment to take any new case or even just to consult...

My ma=n concern was that my visa and my work authorization are expiring in July =4th, which means my contract with IPI will be terminated so my question wa= to the lawyer whether under my current pending status, I am still in the =country legally and eligible to apply/extend my EAD?

So I s=arched and found this link

Do you think I could talk to Terje and try to apply for H1B visa? t=ey say that they only sponsor working visas for professionals like policy =nalysts and above but it's all about money...I asked the other day how=much it costs they say around 6K. What are your thoughts sneaky? I d=n't like or trust Arda but maybe I should see him just regarding these=questions?
