Dear Jeffrey,

When I went to DC last week they dumped a major job on me with a deadline of Friday (and I leave on Saturday). So very unfortunately I won't be able to accept your kind offer of hospitality this week. Too bad as it has been quite a while since I visited you there! =A0I hope to see you soon one way or another, either here or back=East.

Yesterday there was a ceremony to rename the main building at SFI after Murray. It was quite touching= some reminiscences (I put in a few, and sang Murray a song: He =s the very model of a modern Nobel Laureate), a brief appreciation speech by Murray, and then lunch. As you probably=know, Murray is in pretty bad shape these days, sadly diminished=in mental powers and confined to a wheelchair. But he was on for=this occasion, and it was touching.

Apologies again (curse DARPA) and hoping our paths cross soon,

=eth
